Election/Restrictions

This application is in condition for allowance except for the presence of claims 4-8, 15-19 and 23-24 directed to Species non-elected without traverse. Accordingly, claims 4-8, 15-19 and 23-24 been cancelled.

Allowable Subject Matter

Claims 1-3, 9-11, 12-14 and 20-22 are allowed over the previous art of record.

The following is an examiner's statement of reasons for allowance:

The combination of Lee, Takahashi and Bahl, the closest prior art, fails to teach or fairly suggest a table of active addresses to determine if the address to be removed is an active address, the table of active addresses containing addresses generated and assigned to partitions by the fabric in response to address assignment requests from the partitions. Furthermore, the combination of Lee, Takahashi and Bahl was also incompatible due to the differences in addressing technology.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
